Dangerfield Mitchel Dies Tuesday Night

Dangerfield Mitchel, 75, of 123 Breckenridge St., died Tuesday evening at 10 o'clock, ten hours after he was admitted to the Mt. Alto hospital.

The deceased was born in Harrisburg, a son of the late Samuel and Laura Lee Mitchel. He lived in Gettysburg for many years.

Mitchel was found ill Sunday morning when firemen were called by neighbors to enter his room through a window being unable to open a locked door. He was reported to be in a coma on his bed.

Mitchel had been ill in the Mt. Alto hospital for some time but had returned to Gettysburg about a year ago, apparently cured of tuberculosis.

Funeral arrangements by the Bender Funeral Home are incomplete.

Return Prisoner To Jail From Atlanta

William D. Reelley, 42, Jessup, Md., was returned to the Adams County Jail Tuesday by Sheriff Dorsey J. Schult and Deputy Clarence C. Smith, on a charge of issuing worthless checks. Reelley had been in detention in the county jail at Atlanta, Ga., for the last 46 days while arrangements were made to extradite him to Pennsylvania through the offices of the governors of Pennsylvania and Georgia and the courts at Atlanta. Sheriff Schult and Smith left here Sunday for Atlanta to secure the prisoner. Since his arrival here, the sheriff said, a detainer for Reelley has been placed by Ohio authorities.

Attorney D. M. Swope Is Operated Upon

Attorney Donald McC. Swope, West Broadway, of the law firm of Brown, Swope and MacPhail, underwent a successful operation at 8 o'clock this morning for a ruptured disc. The operation was performed at Johns Hopkins Hospital, Baltimore. Attorney Swope's condition is reported satisfactory. He expects to be in the hospital a week or ten days.

J. E. BROWN IS ACQUITTED IN HIT-RUN CASE

An Adams County jury this morning found Joe E. Brown, Hanover R. 2, not guilty of a "hit and run" charge. The costs were placed on the county.

The trial was the last of four scheduled for the current term of court, with most of the defendants in the various cases before the court this term having entered pleas of guilty. Sentences will be imposed on approximately 30 persons by the court on Saturday morning.

Brown was accused of failing to halt after his car clipped the fender of an auto operated by Clair W. Richardson, Biglerville R. 2, when Brown passed Richardson while both vehicles were headed east on the Lincoln Highway several miles west of here early on Sunday morning, August 4.

Richardson's car sustained \$5 damage to the front fender. He told the jury that Brown, driving east, cut back into his own lane sharply, colliding with Richardson's fender. When the Brown car did not halt, a chase followed and Brown's license number was determined in Gettysburg.

Jury Is Listed

The jury which heard the Brown case included James U. Bowers, Littlestown; Charles F. Klinger, New Oxford R. D.; John Messinger, Hanover R. 1; Amanda Myers, Gettysburg; Clayton N. Myers, McSherrytown; Donald Crabb, Littlestown R. 2; Arthur S. Nevins, Gettysburg R. 3; Mrs. Lillian Sprankle, Frank Mumper, Mrs. Jane Hutchison, Mrs. Ruth Naugle and Mrs. Bertha Butt, all of Gettysburg.

Trial of the Brown case began Tuesday afternoon. Other jurors empaneled for the term of court were excused following the selection of the jury Brown's trial.

The jury hearing the case, headed by Foreman Frank L. Mumper, reached its decision in 15 minutes, retiring at 11:30 and returning at 11:45.

The jury looked at the cars before retiring to decide its verdict.

TOTEM POLE IS PRESENTING ITS FIRST MUSICAL

Totem Pole Playhouse had a near capacity crowd Monday night with the opening of its first musical, "You Never Know" by Cole Porter. The play, which will have a week-long run, is the final bill of the 1957 summer season at the Caledonia playhouse.

The production is the delightfully "droll musical based on the play 'Candide' and concerns a butler who masquerades as a baron in order to entertain a mysterious lady. Included in the cast directed by Producer William H. Putsch is Janice Mars who was featured last week in "Candide" and plays one of the leading roles in the present production. Opposite Miss Mars is George Geyer III, of Chambersburg, who has toured with Fred Waring's group.

3-Piece Orchestra

Also featured are June Prudhomme and Doug Robinson, both well known to Totem Pole audiences. Others in the cast include: Jack Brownell, Herb Smith, Nancy Lee Carver, Bernie Gilbride, Elsie Ford and William Jeffrey.

A three-piece orchestra accompanies the musical, comprised of Dale Higgins on bass; Dorothy Burkholder, electric piano, and John Shellenberger, percussion. Settings have been designed by Francis Benko with costumes under the supervision of Betty Knepper. The entire production has been staged by William Putsch.

Some of the musical numbers included in the production are: At Long Last Love, I Get A Kick Out Of You, Maria, and Nobody's Chasing Me.

Wants U.S. Missile Program Accelerated And Production Of Long-Range Bombers Hiked

WASHINGTON (AP)—Sen. Jackson (D-Wash.) urged today that the United States accelerate its missile program and boost production of long-range bombers in the light of Russia's claim to have tested successfully an intercontinental missile.

"Perhaps the Russians have rendered us something of a service, if the Defense Department will take heed of the danger," Jackson said. "The Soviet announcement should be the signal to the defense administrators to reverse the missile slowdown."

Credit Red Progress

Meanwhile, the Eisenhower administration issued a statement crediting the Soviets "with substantial progress in the long-range ballistic missile field."

But this statement, put out by Acting Secretary of Defense Donald A. Quarles, also said American officials have "made it clear that our own work in this same field is being pressed forward on a broad front and with a high priority."

The statement, cleared by the White House and the State Department, described as "greatly exaggerated" the immediate military significance of what has been termed an American-Soviet race to develop a nuclear warhead 5,000 miles.

Red Claim Timed

Quarles said, "Time differences in terms of operational readiness will probably not be very great one way or the other."

The administration's statement suggested "may have been timed in relationship to the London talks" of the five-power disarmament subcommittee. Yesterday, in London, Soviet Russia rejected the West's newest disarmament proposals and accused the West of preparing for war.

Jackson and Sen. Symington (D-Mo.) took similar positions yesterday in accusing the administration of slowing American activities in the missile field. Sen. Stansbury (R-Mass.) disputed this.

FREE DEARING OF POINTING, FIRING A GUN

Frank W. Dearing, 17-year-old Breckenridge St. youth, also known as William Fred Dearing, was acquitted by an Adams County jury Tuesday afternoon of pointing and discharging a 12-gauge shotgun, but was directed to pay the costs in the case.

The jury retired at about 3:30 o'clock Tuesday afternoon and returned with its verdict about 4:30 o'clock.

Five persons were struck by shotgun pellets when two shots were discharged from a shotgun carried by Dearing at about 2 o'clock on the morning of June 29 on W. High St.

No Serious Injuries

Attorney S. M. Raffensperger, appointed by the court to represent Dearing, argued that since none of the five persons hit by the pellets was seriously injured it indicated that the weapon had not been pointed. He said that had the gun been pointed from a distance of about 25 feet away "we would have had a situation in which someone would have been killed."

The witnesses said Dearing was less than the width of a street from them when the gun was discharged.

Dearing admitted taking the gun to near the Dorsey-Stanton American Legion post when a group of people estimated by police at "about 100" was milling about. Dearing told the jury he had no intention of firing the gun but only "wanted to frighten the Frederick boys" whom he said were armed with "knives, sack handles" and similar "weapons."

Police said they estimated "60 per cent" of the crowd at the scene of the shooting as being "from out of town."

NEW TEACHER RECEIVES \$150 SCHOLARSHIP

Mrs. Mona H. Schlotzhauer, Idaville, Adams county's newly elected teacher for the partially blind, has been awarded a \$150 scholarship by the Pennsylvania Association for Retarded Children.

Miss E. Elizabeth Rutledge, county supervisor of special education, said today she has been notified by Dr. Gordon H. Pritchard, Pennsylvania State University, chairman of the state Association for Retarded Children, of the scholarship for Mrs. Schlotzhauer.

The amount is to reimburse the wife of the Rev. H. Earl Schlotzhauer, Idaville Lutheran minister, for part of the expense of the special courses she took this summer at Syracuse University to help prepare her for her duties in aiding partially blind children in Adams and Franklin counties this fall.

Elected In July

Elected by the county school board at a meeting held in connection with the county convention at the South Mountain Fairgrounds in July, Mrs. Schlotzhauer will start her new duties next month. She will be the first instructor to devote full time to aiding the partially blind children in the county.

She formerly taught in East Berlin and last year was a substitute teacher in Hanover. She also taught previously in Virginia, West Virginia and Maryland.

A native of England, she was educated on the west coast of the U. S. and also attended Shippensburg State Teachers College and Elizabethtown State Teachers College.

The Pennsylvania Association for Retarded Children provides a number of scholarships. Miss Rutledge said, for training of special teachers. The state organization raises funds through amounts provided by county organizations similar to the Adams County Association for Retarded Children which disbanded here a number of years ago when the county took over operation of the Adams County Day Care Training Center which the association established.

Two Night-blooming Cereus Are Reported

Two reports of night-blooming cereus were received by The Gettysburg Times today. Mrs. Harry A. Hemler, Gettysburg R. 1, reported she has a plant with 21 blossoms. She said she has had the plant for 23 years and this is the largest number of blossoms it has ever had.

Mrs. George Groft, 141 W. Middle St., also has a plant with 13 blossoms opening on Monday and Sunday nights. The night-blooming cereus is a well-known, cactus with flexuous, climbing, angled branches and large, fragrant, white flowers opening about midnight. The plant is native to the western United States and tropical America.

President Is Displeased With Red Arms Talk

WASHINGTON (AP)—President Eisenhower today denounced Russia's attack on Western disarmament proposals as "deeply disappointing." He said Soviet rejection would "condemn humanity to an indefinite future of immeasurable danger."

The President counterattacked two Soviet statements claiming that Russia had successfully tested an intercontinental rocket and attacking Western arms proposals.

Eisenhower in a statement of his own called the Soviet claims on missiles developments "boastful" and said the assault on disarmament proposals of the United States and its Allies was couched in "scornful words."

As far as the United States is concerned, Eisenhower said, "We shall never renounce our efforts to find ways and means to save mankind from that danger of atomic conflict and to establish a just and lasting peace."

2 BUSINESSES BURGLARIZED SUNDAY NIGHT

Two business establishments on Lincoln Highway east were burglarized Sunday night according to reports received from state police today.

Gravelly Allegheny, Inc., about one mile east of town, was broken into and "about \$140 worth of mechanics' tools" were stolen according to Stewart Lee, manager. "They cleaned us out," he said. "Thieves overtook a 'small amount of money in the safe,' Lee added.

At Orndorff's Service Station, about three miles east of Gettysburg, a person or persons entered the station by pulling off the rear door. Police said thieves apparently overlooked tires and auto batteries in the station but stole a partial carton of cigarettes, one of 13 on display. "They seemed to be looking for money," police said. All the drawers of the desk were open.

At Gravelly's the thieves entered the building by breaking the glass in a 14 by 19 inch window. Manager Lee said he thought there had been two persons in the building as there were "two sizes of footprints." Lee set the time of entry between 8 p.m. and midnight Sunday. Only small tools such as wrenches were taken.

The service station was entered sometime between 7 p.m. Sunday and 9 a.m. Monday police said.

\$1,000 LOST AS STOVE EXPLODES

Mrs. Harry Heck, 68, Gettysburg R. D. narrowly escaped burns at 7:30 o'clock this morning when a coal oil stove exploded in her home, on Wolf Hill, east of here, off the Bonneville Rd.

Gettysburg firemen estimated damage to the kitchen and home at \$1,000.

Fire Chief Donald W. McSherry said Mrs. Heck was preparing breakfast for herself and her 83-year-old husband, a well-known local butcher, when the stove exploded.

Mrs. Heck escaped the flames but the entire kitchen was blackened and the flames spread to the woodwork inside the structure.

Firemen found the fire had also penetrated the partitions and logs of the partially log structure were burning.

With water supply scarce, Chief McSherry called for the new "General Iko" Mack pumper to join the "Mighty Mack" pumper which was one of the fire trucks to respond to the alarm. Between the two Mack trucks 1500 gallons of water can be carried in booster tanks.

County Teachers Vote On Security

Gettysburg and Adams County teachers Tuesday completed voting in the election held throughout the state to determine whether teachers wish to participate in Social Security.

Several hundred countians voted in the election which will determine whether Social Security benefits will be extended to the teachers who up to the present time are covered as far as retirement is concerned by a state teachers retirement pension plan which has been in operation for a number of years.

TOWN GETS \$400

MISS SLUSSER WINS FIRST IN "DRESS REVUE"

Miss Nancy Slusser, daughter of Mr. and Mrs. Charles W. Slusser, Littlestown R. 2, who will enter her sophomore year at the University of Pennsylvania next month, won first place in the Pennsylvania Southeast District 4-H dress revue held at Millersville State Teachers College, Millersville, Tuesday.

One of 80 contestants from 18 counties, Miss Slusser was awarded a blue ribbon for her modeling of her homemade dress and for the best record of all her 4-H projects since she became a member of the Littlestown 4-H Club in 1947. The record book was counted as one-third of her total score, the dress accounting for the remaining two-thirds.

Besides the sewing, Miss Slusser was partially responsible for the designing of the afternoon dress of crease-resistant chautauque material.

Miss Slusser and Miss Gayle Gulden, another contestant from Adams County, were guests of Radio Station WGET this morning on the Adams County Agriculture Extension Association home-makers' program at 11:45 o'clock.

Others Participating

Also participating in the dress revue Tuesday were: Martha Zepp of the Harrisburg Road 4-H Club; Elizabeth Dorr, Barlow Club, and Audrey Yingling, Barlow. Miss Gulden is a member of the Littlestown Club.

When asked how she felt after being announced as the first place winner, Miss Slusser said, "I was completely overwhelmed and was very happy. In fact I am still excited about the whole event. And it was a great pleasure that my grandmother, Mrs. Emory Gitt, was present. She has always been one of my boosters. It was really some experience to see all the different outfits of the girls," Miss Slusser added.

Chautauque Summer Dress

Miss Slusser's prize winning dress is a chautauque cotton summer outfit with white touches and accessories. The front of the bodice is accented with rows of decorative cording. The set-in sleeves are also trimmed with the cording. The full-pleated skirt is belted at the normal waistline with a self-material belt, and joined to the modified shirtdress bodice.

Presently Miss Slusser is employed at the Hotel Gettysburg as a waitress. At school she is majoring in home economics education. She has been a junior leader in the Littlestown 4-H Club and president of the club for three years. She has also been active in the county 4-H council as secretary and committee member.

Wins Award Twice

For two years, 1955 and 1956, Miss Slusser won the Adams County Achievement Record Award, she won the \$200 Kroger Scholarship at Penn State last November for leadership and scholarship, and has won a Singer sewing machine and a \$300 scholarship in a sewing contest as a second-place winner in competition from Pennsylvania and New Jersey. She also took second place in last year's dress revue at Millersville State Teachers College.

In 1954 Miss Slusser attended a state 4-H leadership school and in 1955 she was one of eight of 34 students who were invited to return to the school to serve as junior leaders.

At the university Miss Slusser is a member of the campus 4-H Club and the home economics club.

55 BOY SCOUTS SIGN FOR TREK TO BAINBRIDGE

Fifty-five Black Walnut District Boy Scouts have signed to take part in the trek to the Bainbridge Naval Training Center at Bainbridge, Md., Friday and Saturday.

A total of 125 Scouts and leaders can be accommodated at Bainbridge, Crosby N. Hartzell, camping and activities chairman, said.

Scouts and leaders wishing to take part in the trek are asked to telephone Walter Smith, Gettysburg, 1031-W Cost of the two-day trip will be \$4 per person which includes meals, lodging, transportation, insurance, movies and swimming.

The Scouts will see a fire-fighting display, attend graduation exercises, inspect a ship, receive the same tour of the entire training center given naval recruits upon their arrival here, swimming and attend movies.

The Scouts will leave here at 1:30 o'clock Friday afternoon and return Saturday evening at 6 o'clock.

Scouts attending are to take with them complete uniforms, either Scout or Explorer, a bedroll or equivalent, swimming trunks and such personal gear as they may need, Hartzell said.

EXPECT LENGTHY FIGHT ON CIVIL RIGHTS MEASURE

WASHINGTON (AP)—Decks were cleared in the Senate today for a possibly lengthy fight on Southern opponents of the compromise civil rights bill.

Senate Democratic Leader Lyndon B. Johnson of Texas said that as far as he is concerned critics of the measure the House passed 297-97 yesterday will have all the time they need to talk against it in the Senate. But an all-out filibuster appeared unlikely.

The Senate debate actually began last night after the bill arrived from the House.

Surprise Motion

Sen. Thurmond (D-SC) offered a surprise motion to shunt the measure to the Judiciary Committee headed by Sen. Eastland (D-Miss), another avowed foe of the civil rights bill.

The motion took Republican and Democratic leaders by surprise. Even Sen. Russell (D-Ga.), captain of Southern forces, said he had not known of it. But after about two hours debate, the Senate rejected the motion 66-18.

Johnson then called for a recess until today.

The Democratic leader said he still hoped the present congressional session could wind up Saturday, but that there was no guarantee it would not run into next week. He said Southerners would be given ample time to state their views.

Wants Early Vote

Sen. Ellender (D-La.) told a newsman he was sure the session would end by Saturday.

Republican Leader Knowland of California said in a separate interview he still hopes a final vote on the measure can be reached today or tomorrow.

Knowland predicted Senate passage of the compromise by about the same 72-18 vote by which the Senate sent the original bill back to the House Aug. 7. Knowland said he is confident President Eisenhower would sign the bill in its revised form.

As passed by the House, the compromise measure would authorize the attorney general to seek court injunctions against violations or threatened violations of voting rights.

RAPS METHOD OF TRANSPORTING MIGRANT LABOR

HARRISBURG (AP)—A Bloomsbury man today described the method of transporting migrant laborers into Pennsylvania as "terrible."

"They haul these people in trucks that aren't even suitable for transporting cattle, let alone human beings," said James Evans.

Evans, who described himself as "just an interested party," appeared at a hearing called to discuss proposed revisions in regulations governing operation of migrant labor camps in the state.

Attend Public Meeting

More than 30 persons, representing farm groups, church organizations and civic groups, attended the public meeting held by the Department of Labor and Industry.

"Two weeks ago Gov. Leader's Committee on Migrant Labor submitted proposed changes in regulations which cover practically all facts of the industry."

The proposed regulations would tighten supervision of the migrant laborers and add to sanitation and housing requirements already in effect.

Regulations Not Enforced

Evans complained that similar regulations in effect since 1926 "were never enforced."

"A select few have been able to violate these laws and get away with it," he said. "Are they going to be able to get away with it now?" he asked.

Secretary of Labor and Industry William L. Batt Jr. assured Evans that "it is the intent of the department to enforce these regulations."

License Crew Leaders

One of the major proposals is licensing of crew leaders who supervise the work of the migrant laborers in the field and regulate their free-time activities.

Walter Sargienger, Potter County vegetable grower, said the regulation changes were "impossible to comply with."

"If these regulations were adopted we'd be put out of business," he said. "They are impractical to comply with."

The department is expected to take formal action on the proposed regulations at the close of the day's hearing.

The proposals were made by the 11-member study committee, headed by Dr. Jesse Reber, general secretary of the Pennsylvania Council of Churches.

DRIVER GUILTY

William H. Kutsch, 74, York, was found guilty of drunken driving by a jury in Judge Ray P. Sherwood's court at York Tuesday. Imposition of sentence was deferred until Sept. 9.

Kutsch, a retired executive of York Mirror and Glass company, was arrested after the car he was driving collided with one operated by Oleska Bartkiw, Gettysburg, on the Lincoln Highway East at Hoke's Mill road about midnight July 26, 1956.

FACE CODE CHARGES

Ten-day notices have been sent by Justice of the Peace John H. Basehor to Donald R. Reasner, Fayetteville R. 2, and William B. Jackson, Crystal Springs, Pa., for red blinker violations charged by borough police.

\$10,000 Damage Suit Settled Out Of Court

A friendly suit for \$10,000 damages growing out of the death of an Emmitsburg man in an automobile accident has been settled out of court for an undisclosed amount, according to docket entries in the clerk's office at Frederick.

The suit was entered in the name of the State of Maryland to the use of Mrs. Marie F. Hubbard, widow, and the four surviving children of the late Charles Roland Hubbard. The defendant was Mrs. Eunice M. Neighbors, executrix of the estate of David L. Neighbors.

In the action it was set forth that Hubbard was a passenger in a car operated by Neighbors which was proceeding west on Maryland 97 east of Emmitsburg June 18, ran off the road and struck a pole. Hubbard received fatal injuries and Neighbors was also killed.

The widow and children sued for loss of support, care and maintenance.

FURMAN SCORES TRAFFIC TRAPS IN SMALL TOWNS

ERIE, Pa. (AP)—Lt. Gov. Roy Furman has warned that if traffic traps in small towns aren't eliminated the state will take legislative action.

Such traps are set up for private gain only and are against the public interest, Furman said last night in an address before the annual convention of the Squires & Constables Assn. of Pennsylvania, Inc. He added: "This type of enforcement brings all police work under a cloud of suspicion and destroys the morale and stability of all law enforcement agencies."

Must Be Eliminated

"It is a practice that must be entirely stamped out. If it is not done voluntarily then it must be done by act of legislature."

Earlier, James DeBasi of Pittsburgh was re-elected president. Vice presidents—Joseph Feidler, North Charleroi; Harvey Siambaugh, York; R. P. Neal, Clearfield; John Doherty, Pittsburgh, and Charles A. Bohem, Philadelphia.

Others Elected

Paul L. Thomas, Greensburg, secretary; Carmen C. Perna, Latrobe, treasurer; and Edward B. Doran, Greensburg, solicitor.

Directors—Paul W. McGillick, Blairsville; Charles Strickland, Indiana; Carmen Perna, Latrobe; Albert Penepacker, Readingville; Andrew Kokol, McKeesport; W. Quay Brashner, Uniontown; James Paez, Duquesne; Cleo T. Hazel, Mill Hall; Frank J. Forest, Lewisport; Oscar Brush and Richard Huns of York.

TV Winnings Are Raised To \$80,000

NEW YORK (AP)—Joyce Myron, 18-year-old whiz on atomic science, has topped her winnings to \$80,000 on CBS-TV's "the \$64,000 Question."

The pretty sophomore at Philadelphia's Drexel Institute won the chance last night to try for \$96,000 next week when she correctly answered a complicated three-part question on the atom.

The North Bergen, N. J., girl can win a maximum of \$256,000 if she doesn't trip up in subsequent question periods.

Named Engineer Of Reading Railroad

PHILADELPHIA (AP)—Harry F. Smith, 50-year-old Philadelphian, has been named chief engineer of the Reading Railroad company President Joseph A. Fisher announced today. The appointment is effective Sept. 1.

Smith succeeds Frederick W. Biliz, of suburban Fort Washington, who is retiring after 41 years service. Smith, who started railroading in 1929 with the old Atlantic City Railroad, now part of the Pennsylvania - Reading Seashore Lines, has been assistant chief engineer for more than three years.

State Grants \$9,450 To Williamsport CC

HARRISBURG (AP)—The Industrial Development Bureau of the Greater Williamsport Chamber of Commerce will receive a \$9,450 grant from the state. Matched by local funds the money will be used to contact industries that might move into Lycoming County.

Lycoming is the sixth county to obtain final approval for such state aid under the Industrial Development Assistance Act which authorizes grants to local development agencies.

The Commerce Department said it will shortly approve similar grants for agencies in Blair and Mercer counties.

LEADER SPEAKS

HARRISBURG (AP)—Gov. Leader will be the chief speaker Sept. 19 at a Democratic \$50-a-plate dinner in Albany, N. Y.

LAST 15 MILES OF TURNPIKE TO OPEN ON NOV. 1

HARRISBURG (AP)—The final 15 miles of the Pennsylvania Turnpike, granddaddy of the world's toll road networks, is now due to be thrown open to motorists at noon Nov. 1.

Stretching from DuPont to north of Scranton the last section will complete the 110-mile Northeastern Extension, first north-south leg of the superhighway. The extension, from near Plymouth Meeting in the vicinity of Philadelphia, to Scranton in the heart of the anthracite region, is the end of the construction phase of the toll road.

Gov. Leader and the commission frequently have heralded its completion as the final step in toll road construction that began in 1937. Additional links authorized by the Legislature some day will be built as free roads by the state.

One, the 46-mile Erie Expressway, is already under construction by the State Highways Department.

Now 469 Miles Long

Opening of the northern-most part of the northeastern leg will place the system's total length at 469 miles—second highest in the nation and only five miles shorter than the present New York Thruway. The Pennsylvania Turnpike runs 359 miles from the Ohio line to the New Jersey line and connects with turnpikes in both those states.

The northeastern extension was started in March 1954 with its completion originally scheduled for "late 1956." However, the completion date was delayed time after time.

Motorists have been using part of the extension, from the Plymouth Meeting junction northward, since Nov. 23, 1955, when the first 37 miles was opened to near Allentown. A month later another 10 miles was completed to a temporary interchange at Emerald, Lehigh County.

Six-Week Delay

Then on April 10 of this year another 48 miles was ready for use, northward to the Wyoming Valley Interchange at DuPont. Construction of a mile-long tunnel in Carbon County was blamed for much of the delay.

Yesterday, in fixing the Nov. 1 completion date, Dr. Merritt A. Williamson, vice chairman, cited a "six-week delay caused by the recent cement strike" for preventing completion of the project by mid-September. Earlier this year an engineering survey made for the commission anticipated the extension would be finished by Aug. 1.

The northern terminus of the new link will connect with U. S. 6 and 11 north of Scranton. When the extension was authorized by the State Legislature it was contemplated that some day it would be extended the final 30 miles northward to the New York state border and eventually to a connection with the New York Thruway.

2 WAGE BOOSTS FACING POCKET VETO FROM IKE

WASHINGTON (AP)—Two bills to boost pay of 1 1/2 million federal employees by about \$50 million dollars a year were on their way today to President Eisenhower and what appeared to be certain vetoes.

Republican leaders told the Senate just before the bills were passed late yesterday they were certain the measures never would become law.

The President has 10 days to act on them, and Congress is expected to be out of town by that time. Thus, he could pocket veto them.

List Pay Boosts

One of the bills would raise pay of 518,000 workers by \$548 each year at an estimated cost of 317 million dollars. This bill passed 69-17.

The other, passed 64-22, would boost salaries of a million classified civil service, congressional and judicial employees by 11 percent a year. This would cost about 532 million dollars annually.

Both measures had passed the House earlier in the session. The votes in that body, as in the Senate, were well above the two-thirds margin necessary to override a veto.

However, GOP leaders said privately they were sure a veto could be sustained if the issue arose, because they believe several additional Republicans would rally to the President on such a vote.

The administration opposes the bills on grounds they would be inflationary and would endanger the precarious budget surplus in prospect for the current fiscal year.

INMATE KILLED, FOUR WOUNDED IN PRISON RIOT

BUENA VISTA, Colo. (AP) — An inmate of the Colorado State Reformatory was shot to death and four others were wounded last night in a wild, 45-minute riot by 125 prisoners.

They were locked inside a cell block with three guards but soon 60 officers, armed and shooting, broke it up.

Warden James S. Thomas opened fire first.

In the turmoil of flying chairs, swinging fists, unk fires and passing bullets, Evaristo Gomez, 23, was killed. Three other inmates in the thick of the fight were shot in the leg and a bullet hit another in his finger.

Two guards were beaten unconscious.

Averts Escape

One of them, Robert Allinger, 47, threw the lock that prevented any of the youths from fleeing. He and guard Sam Montgomery, 45, were then badly beaten.

They were marching more than 200 of the camp's nearly 400 inmates into the cell block after dinner and recreation. Many were still outside the cell block when those inside suddenly grabbed chairs and began plummeting the two guards with their fists and elus.

Allinger and Montgomery were reported in fair condition.

The cause of the riot was not determined immediately but Gov. Steve McNichols, who planned to drive here from Denver today, said he understood the prisoners "believed they were being worked too hard."

The inmates who were shot in the leg, all under 22, were identified as Gene Loux, Jerry Troxel and Richard Benjamin. Harvey Williams was shot in a finger.

ZORIN RAGING, REDS MAY TAKE WALK ON TALKS

LONDON (AP) — Some Western diplomats today expected the Russians to walk out of the U.N. disarmament talks after a sharp Soviet rejection of latest Western proposals.

But the Western powers went ahead with plans to present their completed disarmament package to the five-nation subcommittee next week despite the Russian rebuff.

Soviet Delegate Valerian Zorin put the Moscow rejection before the subcommittee yesterday in a statement that accused the United States, Britain and France of preparing for a new war. Canada is the fifth member of the U.N. disarmament group.

Zorin Raps West

Zorin said the Soviet Union considers the five-month-old talks deadlocked and charged the West with evading issues and lying. His objections were a rebuff of previous Soviet criticisms of the Western proposals.

The Russian delegate turned a harsh thumbs down on the newest Western proposals for a two-year ban on nuclear weapon tests and the latest version of President Eisenhower's open skies inspection plan to guard against surprise attack. He said the Soviet Union stands by its proposals for a first-stage disarmament agreement, emphasizing that it should be preceded by a pact to immediately halt nuclear weapon tests.

Moscow's terms for a limited disarmament agreement include a pledge to renounce for all time the use of nuclear weapons, a 15 per cent cut in all defense spending, elimination of foreign military bases and a cutback of foreign forces in East and West Europe.

LEADER SEEKS SUCCESSOR TO LAWLER'S JOB

By LEONARD A. UNGER

HARRISBURG (AP) — Gov. Leader today cast about for a successor to Joseph J. Lawler as secretary of highways and for someone else to join Lawler on the Pennsylvania Turnpike Commission.

Lawler's resignation from the highways post which now pays \$15,000, effective by Oct. 1, was announced yesterday. The departure of Dr. Merritt A. Williamson from the commission also was reported imminent.

The governor said he would name Lawler to the \$13,000-a-year turnpike job to succeed James F. Torrance, Export Republican whose term expired in June. Lawler's 10-year term would be subject to confirmation by the Senate in 1959.

Had Been Suspended

The Lawler appointment will mean the end of Torrance's tenure on the agency. He was suspended without pay last January after indictment on conspiracy charges in turnpike operations. He was convicted last month.

There was speculation that the governor may go out of the state for a man to succeed Lawler in the grueling highways post. The new secretary will receive a \$20,000 salary. More than 15,000 persons are employed in the department.

One man whose name has been mentioned as a possible successor to Lawler is Lewis M. Stevens, former Philadelphia city councilman.

Many Road Projects

The department is embarked on road construction projects that are expected to total about 200 million dollars this year compared to the previous high of 150 millions in 1950.

Lawler has been on the hot spot for more than six months. Republicans proposed and then dropped plans for a legislative probe of department operations. Lawler was asked by a newsman if recent arrests of department employees were responsible for his departure. He replied in the negative.

Williamson, State College Republican who also is head of Penn State's engineering school, met with the governor yesterday but declined to comment. It was learned he was asked to remain on the job until the Oct. 1 date fixed in the Lawler appointment.

GEO. MALENKOV SPANKED AGAIN BY KHRUSHCHEV

MOSCOW (AP) — In the strongest indictment of Georgi Malenkov to date, Nikita Khrushchev has denounced the former Soviet Premier as a shadow and tool of executed secret police chief Lavrenty Beria.

The Communist party boss, in an article published yesterday in the magazine Kommunist, charged that Malenkov and Beria goaded Stalin in his last years into acts which now warrant denunciation.

Khrushchev declared Malenkov was completely under Beria's influence, that he was the former police chief's "shadow and a tool in his hands."

Stalin made "gross and grave mistakes," he said, but he did much good for Russia and the Communist movement.

"Though Malenkov occupied a high position in the party and government," Khrushchev continued, "he did not restrain Stalin but very skillfully took advantage of Stalin's weaknesses and habits in the last years of his life. In many cases he incited him to action which was deserving of stern condemnation."

Malenkov was purged from the top Kremlin command in late June for allegedly conspiring with V. M. Molotov and Lazar Kaganovich in a revolt against Khrushchev's policies. The Soviet government says the pudge ex-Premier now is director of a power station in Central Asia.

Beria was purged in June 1953 while Malenkov was premier. He died before a firing squad the following December.

York Springs

YORK SPRINGS — Hempt Bros. started laying cement on the York Springs by-pass last week. They completed one lane Tuesday.

Mr. and Mrs. Robert Megonnell announced the birth of a son, Aug. 27, at the Hanover Hospital. Mrs. Megonnell is the former Brenda Tanger.

Mr. and Mrs. James Behney Jr. returned from their wedding trip Thursday.

Miss Susan K. Bricker, daughter of Mr. and Mrs. Clair Bricker, attended Intermediate Camp for Girls at Camp Nawakwa last week.

Mr. and Mrs. Wallace B. Frazier, Nashville, Tenn., returned to their home after spending two weeks with Mrs. Frazier's parents, Mr. and Mrs. Thomas Cashman, and her sister, Mrs. Hayward Pennington and family, in York. A family party in their honor was held at the home of Mr. and Mrs. Thomas Cashman, with Mr. and Mrs. Hayward Pennington and two daughters, Mr. and Mrs. Guy Helman and two children, Mr. and Mrs. Elmer Cashman and two children, Mr. and Mrs. Horner Cashman and two children attending.

A group of men consisting of George Harbold, Vance Stitzel, George Golden, Luther Miller, Harvey Lerew and Merle Huff were deep sea fishing between Lewes, Del. and Cape May. They brought home a catch of 360 fish.

The York Springs Lions Club invites the families in the community and their friends to use the recreation area at the rear of the Scout cabin. A large fireplace has been completed and with tables and benches, it is a good place to hold an outdoor class meeting or picnic.

The York Springs Little Leaguers are the champions of the Adams-Cumberland League. They have only lost one game. Dillsburg has invited them to play a 7-game series which is now in progress.

The Lower Meridian Lutheran Sunday School will hold a festival on the church lawn August 31. Food will be served starting at 4 p.m. Music will be furnished by the Winterstown Girls' and Boys' Band.

Mrs. Guy Funt and daughter, Lorraine, and Linda Hinkle, York Springs, recently spent a week in New York City.

Mr. and Mrs. Gilbert McCauslin and son, Ronald, are vacationing in Canada.

York Burglar Draws Eight-Year Sentence

BALTIMORE (AP) — A paroled burglar from York, Pa., was sentenced yesterday to eight years in the Maryland House of Correction for a holdup.

Judge Michael J. Manley granted the request of the parolee, 27-year-old Edward L. Hess, for psychiatric treatment and sent him to the Patuxent Institution for tests.

Hess was arrested for the July 27 holdup of a candy store clerk. He got \$20.80. Police said he had a pistol of the sort used by horse race starters to fire blanks. Hess had served about six years and he remembered nothing about the robbery.

The court was told that Hess of a burglary sentence in Pennsylvania.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

TWENTY-FIVE YEARS AGO

First Automobile Visited Gettysburg 32 Years Ago; Local Men Recall "Sight". Thirty-two years ago today (August 26) Gettysburgians saw their first "horseless carriage" and it created some what of a stir in the community. The first automobile, a one cylinder affair, was driven here from Philadelphia. It came here on successive jaunts and stopped in front of the Hotel Gettysburg.

The old sand roads threw up clouds of dust as the machine noisily moved through the streets and came to a stop in the square. Merchants and employees in the business district stopped their work and ran to doors and windows to see the queer contraption.

Brady Sefton, local barber, who has been located in his present stand for the past 46 years, said he heard the noise of the machine and ran outside to investigate. Brady said it sounded like the present tractors.

J. D. Lippy, tailor, also recalled the "horseless carriage" as being somewhat of an attraction and said that crowds hurriedly gathered about the "queer contrivance." Bill Shields said he saw the machine on a battlefield road and ran "all the way into town to see what it was all about."

Others who spoke of the first recollection was a Fairfield minister who drove here during the winter to astonish Gettysburgians. Charlie Tate said "he had roped tied around the tires so they wouldn't slip off the road."

George Eberhart is credited with being the first local owner of a motor car. It was a Cadillac make with a rear door opening. It was a five passenger car but four people occupied the machine. The fifth was in suspense of filling out the back door because one seat was attached to the rear door.

A Record Peach: Harry Weigle, fruit grower of near Aspers, holds the 1932 record for the largest peach grown in Adams county. Weigle is displaying a peach, of the Elberta type, that weighs 17 ounces and with two other peaches of the same variety tips the scales at 42 ounces.

Sixth Annual Freshman Week Sessions At College To Be Held From September 12-15: Plans for the opening of the sixth annual freshman week on September 12 at Gettysburg college when more than 150 incoming students will be welcomed are rapidly nearing completion.

The formal opening of the one hundred and first year is not scheduled until September 15, but due to a custom inaugurated in 1927 the members of the freshman class will report several days in advance of the upper classes.

Breams Move Thursday: Henry T. Bream and family moved Thursday from their home on East Lincoln avenue to 253 Baltimore street.

National Park Head Takes Up Duties Wednesday: Colonel J. Frank Barber, of Philadelphia, appointed by executive order of President Hoover as successor of Colonel Edgar E. Davis, superintendent of the Gettysburg National Park, arrived in Gettysburg Wednesday morning to assume his new duties.

Colonel Barber conferred with James B. Aumen, assistant superintendent, who has been serving as acting superintendent since Colonel Davis left August 1st. Colonel Barber has been in service for 34 years. He served in the Spanish American War and in the World War.

County Coupl. Weds Saturday: Announcement was made today by Mr. and Mrs. George Harbold, Huntington township, of the marriage of their daughter, Miss Emma Elizabeth Harbold, to Glenn Kemper, of Heidlersburg.

The ceremony was performed Saturday afternoon by the Rev. Carroll Burruss at Bethesda, Maryland.

Today's Talk

FRIENDS UNFORGETTABLE

One of the compensations for the loss of our many friends, as we advance in life, is that through memory they remain unforgotten. They leave something behind, and this is what keeps their memory green and inspiring. We think of their many kindly acts, their courage and patience under difficulties, the cheer they were always spreading around, and their humility about which we think so often. It is sad that we failed to fully appreciate the qualities of so many of our friends while they were still with us. The thought should spur us to take care, and be very mindful of those remaining. How often those words come to us again and again — "I wish I had!"

Friends are like the flowers in our garden. If we want them in all their loveliness, we must keep cultivating them, nourishing them, and giving them our love. I once read of a woman who had a beautiful garden. It stood out from all those in the neighborhood, and people wondered why. It was that she put love into that garden. What a simple recipe, but how adequate!

I like to read biographies because they usually tell about the good things in a useful life. When a great man, or woman, dies I note the things enumerated are those that made that life notable. People think only of the unforgettable traits of character, for these still live and continually inspire and influence.

No matter how long a great person lives, it's short. We can't be too kindly, and too interested in our friends. They are what make up a well rounded life for us all. It makes us want to be unforgettable!

Tomorrow Mr. Adams will talk on the subject: "Others".

To Get New Signal

A sound ranging set will be used by the Littleton Ground Observer Corps, it was announced by the U. S. Air Force at the August meeting of the Littleton spotters Monday evening in the engine house. The set, designed to send an automatic signal to the spotter on duty, informing him that a plane will pass overhead, will be installed in the near future. Part of the \$250 equipment is to be installed in the spotter station, located on top of the high school building, and the other portion will be installed outside the station. The operation of the set was explained to the spotters by Chief Observer Paul E. Hiltbrich Jr. and Supervisor Gerald W. Daley.

Three new spotters were enrolled Monday evening: Merle W. Little, Donald Rimel and Dean Shorb. LeRoy Moose was appointed secretary-treasurer to succeed James P. Hahn. Mrs. J. Walter Groce will be chairman of the refreshment committee for the next meeting on September 23.

WILL PRODUCE MORE VACCINE FOR ASIAN FLU

WASHINGTON (AP) — Surgeon General Leroy E. Burney said today a larger-than-expected amount of Asian flu vaccine may be available by the first of the year.

The Public Health Service chief said manufacturers now expect to produce between 80 million and 85 million doses of the vaccine by Jan. 1. The original goal announced earlier was 60 million doses by Feb. 1.

Burney gave the new figures in an interview in connection with a meeting of the Association of State and Territorial Health Officers of the United States. The group opened a two-day conference yesterday to map plans for combating possible large scale outbreaks of the flu this fall or winter.

45,000 Cases In Service

A Navy report submitted to the association yesterday said between 35,000 and 40,000 cases of the disease have been reported so far among Navy and Marine Corps personnel in various parts of the world, including the United States. Discussing these cases, a spokesman said there had been only two deaths that might possibly be related to Asian flu.

Dr. Carl Dauer of the Public Health Service said the current estimate of the total number of confirmed cases in this country is 30,000, including both civilians and military personnel.

But, he added, that figure probably is low.

Discussing the vaccine at the meeting, Burney said there is a possibility that 1,200,000 doses of vaccine will be released tomorrow, bringing to 1,700,000 the total made available so far.

Originally, he added, "we had thought that Sept. 1 would be the earliest that any vaccine would be released."

PUSH MEASURE TO GUARD FBI SECRET FILES

WASHINGTON (AP)—House-Senate conferees today were expected to reach quick agreement on a compromise bill, aimed at preventing defense lawyers from looking without restraint through FBI files.

Rep. Celler (D-N.Y.), chief House conferee, expressed no doubt in an interview that a compromise would be worked out in the remaining few days before Congress adjourns.

Celler said he thinks various features of the bill the Senate passed Monday night will be included in the compromise version. The House passed a somewhat different bill yesterday by a 351-17 vote. The House bill conforms to the Eisenhower administration's wishes.

"Serious Defects"
The House vote came after the Justice Department branded the Senate bill as unacceptable because of what it called "serious defects."

The bills were passed to meet what the Justice Department says is an emergency situation caused by the Supreme Court's June 3 ruling in the case of former union official Clinton Jencks.

The high court threw out Jencks' perjury conviction and ordered a new trial, saying a defendant in a criminal case has a right to inspect all relevant material in FBI files furnished by prosecution witnesses, so the defense might try to impeach their testimony.

People Along River All Have A Good Cry

LOUISVILLE, Ky. (AP) — It was a day for crying along the Ohio River yesterday.

Employees of a hardware company began shedding big tears. Warehouse superintendent R. H. Waters checked the neighborhood and found other weepers.

Patrolmen Willard Morris and Hurley Thompson, summoned to investigate, said they didn't find the cause but believed something in the air was responsible.

They added they too had a good cry.

COMMON MARKET STIRS BATTLE AT CONFERENCE

BUENOS AIRES (AP)—Delegates to the Inter-American Economic Conference Tuesday found themselves involved in a controversy over one proposal they all favor — a common market for Latin America. The dispute concerned when, how and in what form the plan should be advanced.

Felipe Barreda Laos of Peru declared his country would stand aloof from any small regional markets in the hemisphere, holding out for a common market of all or most of the American states, including the United States.

Latin-American nations seek to form a common market to bolster their lagging economies and offset any possible harmful effects of the planned European common market. The common market plan calls for the elimination of tariff barriers on specified products, creating in effect a free trade area.

Most delegates lean toward the formation of one or more small regional blocs that gradually would be expanded to include all Latin America. Few nations have called for participation of the United States in the projected common market.

TWO NEGROES HIRED TO TEACH AT LEVITTOWN

LEVITTOWN, Pa. (AP)—Two Negro teachers have been hired for schools in this Southeastern Pennsylvania community of 60,000 where violent protests recently greeted the arrival of its first Negro family.

School authorities disclosed the appointments at a school board meeting yesterday. Names of the new teachers — a man and a woman — will not be announced until school starts, in line with established practice.

One teacher has been assigned to the new James Buchanan elementary school on Haines Road, near the home of Mr. and Mrs. William Myers and their three children. The Myerses were the first Negroes to move into this planned suburban town of 15,000 homes. For nine straight nights, crowds gathered in the vicinity of the Myers house, jeering, picketing and, on occasion, hurling stones.

One At High School
The demonstrations ended after a police sergeant was struck by a rock as he guarded the Myers' home. State police banned gatherings of more than three persons in the neighborhood after that incident. Since then the section has been quiet. State police continue

Cite Problems Of Nudists' Beach

SAN RAFAEL, Calif. (AP) — The Marine County Board of Supervisors has eyed a request for a nudist beach on the county's shoreline and reached a decision.

Stan Sohler, past president of the American Sunbathing Assn. of May's Landing, N.J., had asked the county to set aside a secluded beach where bathing suits would be optional.

"Designation of such a beach would create a parking problem for spectators as well as a patrolling problem for the sheriff," said San Anselmo Supervisor William Fusselman.

And so the board turned down the request.

Dr. Guy F. Eberhart, regional superintendent of Bristol Township schools, who announced the teacher appointments, said they had no connection with the fact that Myers had moved to the neighborhood.

Eberhart said the other Negro teacher will be assigned to William Penn Junior High School, which opens Sept. 5. The Buchanan school, serving the area in which the Myers family lives, opens Sept. 16. The Myers children are not yet of school age.

Berra Gets 4 Hits, Drives In 6 Runs To Beat Chicago; Cardinals, Dodgers Defeated

By ED WILKS
The Associated Press
Yogi Berra.

That's all. No fancy gimmick. No line about old pros or how the New York Yankees always win the big ones.

Just Yogi Berra.

The guy was tremendous. He drove in six runs had four hits in five trips and stopped the non-sense with a three-run homer that cracked a 6-6 tie and hustled the Yankees to a 12-6 victory last night in the opener of that all-important three-game series with the Chicago White Sox.

It may have won the series and clinched the pennant.

The White Sox were after a sweep to stay alive. But when you spot 'em a 5-0 lead, scramble back for a tie and still lose, what's left?

Braves Extend Lead

While the Yankees were scrambling to stay on top in the AL, Milwaukee's Braves were lengthening their lead to 7½ games in the National with a 4-3 victory against the New York Giants. Second-place St. Louis pocketed a victory in the completion of a game suspended July 21 at Pittsburgh, but then lost the regularly scheduled game 2-1.

Third-place Brooklyn skidded eight games back, losing to the Chicago Cubs 9-4. Cincinnati rallied and beat Philadelphia 5-2 for a fourth-place tie with the Phils.

In the other AL games, Boston defeated Detroit 7-5 in 11 innings, Cleveland took 11 from Baltimore by beating the Orioles 5-4, and Kansas City plunked Washington deeper into the cellar with a 3-1 decision.

Clouts 20th Homer

Berra, who entered the game with a .242 average, got the job done with his 20th homer on the first pitch from reliever Paul LaPalme. The veteran southpaw had come on after relief loser Bill Fischer had given up singles to Enos Slaughter and Mickey Mantle. Reliever Bob Grim won his 11th, but needed Bob Turley's help in the eighth when the Sox loaded the bases with two out. Turley fanned Minnie Minoso.

The Yankees out-hit the Sox 16-9 with Mantle 4-for-4 and slipping to .376 in his bat battle with Boston's Ted Williams.

Hits 450th Homer

Williams was 2-for-4 for a .380 average, smacking his 450th career home run (32nd this year)

Team 1 Captures All-Star Upper Adams Little League Game 16-5 Before 500 Fans

Approximately 500 fans turned out for the All-Star game of the Upper Adams Little League game played Tuesday night under the lights of Musselman Memorial Field, Biglerville, which was won 16-5 by a team composed of players from the Arendtsville Pirates, Bendersville Braves and Biglerville Phillies. The game brought to a conclusion the league activities for the season.

A six-run spree in the top of the fourth inning broke the game wide open.

In the fourth the winners tabbed their runs via a error, safeties by Mentzer, Kane, Constable and Yoh walks to Kennedy and Redman, and a hit batsman — Slaybaugh.

Losers Score

After the victors picked up three more in the top of the sixth the losers scored twice in the same half of the frame. Singles by Haskell, Horrick and Hartman, an error and a fielder's choice accounted for the runs.

Team 1 then added a pair in the eighth and three in the ninth before Team 2 tallied their final pair in the last inning.

Mentzer and Yoh each poled a pair of hits for the winning team which collected a total of 11. The losers' five hits were distributed among five different players.

The winning team was piloted by Purcell Bohrer, Bob Kluck and Dale Eckert. The losers, made up of players from the Arendtsville Cardinals, Bendersville Yankees and Biglerville Red Sox, were managed by Glenn Bream, John Singley and Larry Lawver. Each team used 14 players.

ELKS WIN 4-3 TO TAKE LEAD IN PLAYOFFS

The Elks made it two in a row over the Hess Antiques to take a 2-1 lead in the best-of-five series for the playoff championship of the Gettysburg Softball League by copping a 4-3 verdict Tuesday evening.

Tonight the teams will be idle, the series resuming Thursday evening at 7:30.

Both teams scored a run in the opening inning. In the top half the singled, Olson was safe on an error and McKee reached base on a fielder's choice as Myers raced home.

A single by Baker and double by Hankey enabled the Elks to knot the count in their half.

In the fourth the Elks picked up a run on a single by Showvaker, his steal of second, and a double by Dillman.

Two more tallies in the fifth boosted the Elks' lead to 4-1. The runs resulted after Small was safe on an error, Staub singled, Hankey walked, Schmitt sacrificed and Showvaker singled.

The Antiques staged a rally in the seventh which fell one run shy. McKee reached base on an error. The next two batters were retired but Bobby Hess walked, Eckert, batting for D. Gigous, singled home both runners. The rally died when Crist grounded out.

Blue Ridge And Union Bridge Meet Sunday At Taneyiro For Pen Mar League Title

Blue Ridge Summit and Union Bridge, who finished the regular Pen-Mar League season in a deadlock for first place, will battle for the league title in a game next Sunday afternoon at 2 o'clock on the Taneytown diamond.

That was decided at a meeting of league officials Tuesday evening at the Emmitsburg VFW at which Alton Waterfield, Blue Ridge Summit, the league president, presided.

According to league rules, the season officially ended on Sunday when all three scheduled games were rained out. It was unanimously agreed that the league should abide by its rules of not playing postponements after the end of the regular schedule despite their importance.

Lands Officials

Waterfield lauded the cooperation of all league managers and officials an action taken at the meeting pointing out that Gus Weikert, Fairfield, had asked for clarification on the legality of two games lost by his team to Cashtown and after considerable discussion dropped his request to lend to the harmonious meeting. Weikert stated he did not want to take the games on technicalities and, with others, felt that getting on with the playoffs was the important issue.

A league ruling requires that players must have played at least five regular season games to be eligible for the playoffs and it was decided that players who would have had five games to their credit if Sunday's contests had been played would be eligible.

The Shaughnessy playoffs between the four top teams will open Sunday, September 8.

Tosses No-Hitter

Fairfield and Union Bridge staged a game Tuesday evening at Fairfield which was won by the home team 1-0 with Guy Weikert turning in a no-hit performance. That game was ruled out of the league standing in accordance with the rules prohibiting playing of postponements after the conclusion of the regular season.

Weikert fanned four and walked but one. Fairfield tallied the lone run in the fifth inning.

Gomes Gets Stiff Battle Tonight

BOSTON (AP)—Harold Gomes of Providence, R.I., undefeated in 11 bouts over the last three years, faces a rugged test against willing Isidro Martinez of Panama tonight in a 10-round featherweight clash at the Arena.

The New England featherweight titlist rules a slight favorite in the nationally-televised (ABC, 9 p.m. EST) bout because of his wide edge in experience over the Panamanian 126-pound champion.

Both battlers are 23, but Gomes has had twice as many bouts since turning pro in 1951 than Martinez has had in five years of battling.

Faster, Better with Big Savings to Home Builders

Picture your family in a bright, beautiful new home... in less time than you think, and at less cost. Here's how you do it:

First, select the basic Weyerhaeuser Modular Home Design that most closely fits your needs. There are many homes from which to choose, and all are architect-designed.

Then, to your home site will be delivered top quality precision built panels and pre-cut parts which exactly fit your plan—without cutting, fitting or material waste.

Thus the framing of your Modular home is quickly completed. The choice of color and materials for roof, siding, flooring, and wall finish is left to your taste. Some plans provide for the addition of dormers, breezeway and garage.

It will pay you to see all the Modular plans before you build. Come in—there's one to suit your needs.

LHS CLASS OF 1932 CONVENES

The Littlestown High School Class of 1932 held a reunion Sunday at Meadow View Park, Union Mills. Due to the rain later in the day, the group went to the basement of St. Mary's United Church of Christ, Silver Run. Following a picnic lunch there were games and contests. Those present were: Mr. and Mrs. Harold Shriver, Milheim, the former class advisor; Charles and Helene Kindig Bankert and daughters, Susan and Barbara, Hampstead; Samuel and Marianne Lau Conover and son, George, Westminster; Irvin and Dorothy Bucher Flickinger and daughters, Rebecca, Dorothy Ellen and Jane, Westminster, R. D.; Mr. and Mrs. John Hornberger and daughter, Patricia, Carlisle; Malcolm and Thelma Harner Heiser, Kenneth and Louise Eby Kroh and children, James and Ann, and Phyllis Eby, and John and Ruth Rebert Riley and daughter, Barbara, of near town. The group will meet next year at the same place.

The district office of the DeKalb

Agriculture Association has been moved from York to Littlestown.

Mr. and Mrs. Clair A. Beamer, Prince St., entertained at a lawn party in honor of the sixth birthday anniversary of their son, Jay, Tuesday afternoon. The birthday cake was decorated with merry-go-around figures. A green and yellow color scheme was carried out in the decorations. Games were played. Red fire chief hats were worn by the boys, and blue hats with feather trim were worn by the girls. Basket favors and balloons were presented to each child. Refreshments were served to Edward Streiv, Nadine Gentzler, Harold Leister, Stephanie Yealy, Steven Snyder, Kris Renner, Gloria Sentz, Bryon Myers, David Bair, Kathy Collins, Robert Collins, John Bowman, Jeffrey Walkman, Charles Plickinger and daughters, Rebecca, Dorothy Ellen and Jane, Westminster, R. HOUSE RUSHES IMMIGRATION LEGISLATION

WASHINGTON (AP) — The House raced today to get enactment of immigration legislation before Congress adjourns.

Called up for House action under a short-cut procedure was a bill to ease some restrictions in the immigration laws.

Although the measure includes key recommendations for immigration law revision, leaders regarded it as the only immigration legislation likely to win congressional approval this year.

Passed by the Senate 65-4 last Wednesday, the bill is a companion measure to one approved two weeks ago by the House Judiciary Committee.

Leaders, however, sidetracked the House bill and called up instead the Senate-passed measure in a bid to complete congressional action before Congress goes home. Adjournment may come by this weekend.

Expect Amendments
Leaders expected the House to accept the Senate version with only minor amendments. This would send the bill back to the Senate for concurrence in House changes, and then route it to Eisenhower's desk.

Most of the House amendments were chiefly of a technical nature, or provided further easing of Senate provisions for naturalization of alien children.

Neither the Senate nor House bills dealt with basic revision of the McCarran-Walter Immigration Act, passed in 1952 over President Truman's veto and the target of subsequent criticism by Eisenhower.

The Senate bill would permit use of 18,656 nonquota immigra-

2 WIMBLEDON CHAMPS BEATEN

BROOKLINE, Mass. (AP) — The U. S. Davis Cup selection committee breathed easier today as the tennis spotlight moved to Forest Hills, N. Y., for the opening of the National Singles championships tomorrow.

The committee was saved from a probable dilemma yesterday when Aussies Ashley Cooper and Neale Fraser overpowered Wimbledon champions Gardner Mulloy and Budge Patty for the National Doubles crown at Longwood.

A victory for Mulloy, 43, and Patty, 33, virtually would have forced an invitation for them to join the U. S. cup squad. And Patty, who prefers the European circuit, has refused in the past.

Cooper, 20, a power hitter who moved into the doubles spot vacated by Lew Hoad, and Fraser settled down after a shaky start to defeat the Mulloy-Patty tandem 4-6, 6-3, 9-7, 6-3.

Louise Brough, 34, of Beverly Hills, Calif., and Mrs. Margaret Osborne DuPont, 39, of Wilmington, Del., won their 12th national women's title with a 6-2, 7-5 victory over previously undefeated Wimbledon queens Althea Gibson of New York and Darlene Hard of Montebello, Calif.

The bill also would waive existing requirements for fingerprinting foreign visitors to the United States at the discretion of the secretary of state and the attorney general.

at Dr. Griswold's Farm — Route 677 — Uniontown Rd.

Direction signs will be posted

Our plastic bag silos, made of BAKELITE Vinyl Plastic, make practical the preservation of high quality silage at less cost than any other means of storage.

Developed by Experts! These new silos, that may revolutionize silage practice, were developed by New Jersey Agricultural Experiment Station, Rutgers University, working in cooperation with Bakelite Company, Division of Union Carbide Corporation. They have been thoroughly tested for 5 years.

Gas Control! This is one of the greatest benefits in using a silo made from BAKELITE Brand Vinyl Plastic. Gases formed during the heat reaction process slowly escape through the vinyl plastic, but outside oxygen can not get back in. Quick sealing after filling therefore

prevents mold spoilage, limits respiration and temperature rise, holds dry matter loss to a minimum, and retains the nutritive value.

Durable! A BAKELITE Vinyl Plastic silo is strong and flexible. It is resistant to the action of most chemicals, water, weather and mildew as well as to tearing, abrasion and scuffing.

See a Complete Demonstration! Our trained experts will demonstrate silos made by Bakelite Company, pioneer in vinyl plastic silos. If you are planning to cut your corn now and put it into silage, you won't want to miss this opportunity! These silos are immediately available for your use.

Wisconsin Elects Democrat To Succeed Joe McCarthy In Special Election On Tuesday

By ARTHUR BYSTROM
MILWAUKEE (AP) — William Proxmire, a 41-year-old liberal Democrat, scored a smashing upset victory yesterday in Wisconsin's special election for the U.S. Senate seat left vacant by the death of Joseph McCarthy (R-Wis.).

Proxmire, who became the first Democrat elected to the Senate by this state in 25 years, scored his victory over Republican three-time governor Walter J. Kohler, a staunch supporter of President Eisenhower and twice a victor over Proxmire in races for the governor's post.

The election is for the 16 months remaining of McCarthy's term. Proxmire will take office as soon as he is accredited by the State Canvass Board. That probably will be within 10 days.

Boosts Democratic Majority
The victory will give Senate Democrats 50 seats compared with 46 for the Republicans.

The stormy 10-year Senate career of McCarthy never became a potent factor in the campaign. The issues that decided the election were diverse and hard to explain because the state usually is firmly Republican in its choice of top officers.

Proxmire's victory was made more impressive by the margin he rolled up—more than 121,000 votes, with only about 30 per cent of the state's eligible voters taking part. Even so, the total vote was higher than anyone except state Democratic party officials predicted.

800,000 Voted
The total vote of nearly 800,000 is about 300,000 more than the 600,000 who turned out for the primary four weeks ago to name the nominees.

In yesterday's balloting, Proxmire drew just over 56 per cent of the total vote cast. In the primary, the seven-man Republican field drew 69 per cent of the total cast. Proxmire defeated Rep. Clement Zablocki (D-Wis.) in the two-man Democratic primary.

Final unofficial returns from 3,357 of the state's 3,361 precincts gave Proxmire 435,085 votes to 313,631 for Kohler. Three independent candidates, including two who said they would carry on the policies of McCarthy, drew less than 24,000 among them.

Losses In GOP Strongholds
Kohler, 53, had promised — if elected — to continue backing the administration. And he took a beating not only in the usually Democratic metropolitan areas but also in the GOP strongholds outside.

Whether this constituted a repudiation of the President's programs or a personal victory for the hard-campaigning Proxmire was hard to determine. Proxmire himself claimed that it was "a protest against the President and his policies" rather than a positive vote for the Democratic candidate.

Proxmire, a native of Illinois who came to Wisconsin less than 10 years ago with the expressed intention of getting into politics, has been campaigning for high political office almost continuously for the past six years.

Three times he sought, without success, the governor's post. Twice he was beaten by Kohler and last year he lost to Republican Vernon Thomson.

SEEK DATA FOR WHEAT PROGRAM

Farmers who wish to take part in the 1958 winter wheat acreage reserve program were urged today to bring information on their farm's past production history to the County Agricultural Stabilization and Conservation Office, York St.

Howard S. Schwartz, chairman of the county ASC Committee, said that each producer is responsible for furnishing the information needed to establish the farm's soil bank base, a new 1958 feature of the Soil Bank Acreage Reserve program. A base provision is already in operation under the Soil Bank's Conservation Reserve program.

"The soil bank for individual farms will be established by the county committee primarily on the basis of the average acreage of land devoted to soil bank crops during 1956 and 1957," Schwartz declared. "These base crops, in general, will be all crops produced for harvest on a farm except hay crops. The soil bank base must be established before a winter wheat Acreage Reserve agreement can be signed."

"When a farm already has a 'base' established under the Conservation Reserve program, that base will apply," he said.

The sign-up under the 1958 winter wheat Acreage Reserve program will close on October 4. In the program agreement, participating farmers will agree to limit their harvest of soil bank base crops to a "permitted acreage," which will be determined in general by subtracting the number of acres in the Acreage Reserve from the total in the Soil Bank base.

SCOUTS WILL BE AT PICNIC

WILLIAMS GROVE, Pa. — "Boy Scout Day" will be observed Thursday at the 92nd Annual Grangers' free fair and picnic now being held at Williams Grove Park.

A highlight of the afternoon's activities will be participation by Indian dance teams from the Scouts' "Order of the Arrow" from lodges in York and Adams Counties. Some 6,000 Boy Scouts from the York-Adams area have been invited by Ray R. Weigand, executive director of the Boy Scout Council with headquarters in York, to attend as guests of Roy Richwine, owner of the amusement center.

Members of the Indian dance team now appearing at the Grange in M. W. Billingsley's production, "Legends of the Hopi," will serve as judges for the Scout dance teams taking part in the exhibition. In addition to an opportunity to receive some instruction, members of the Scout teams will also be awarded souvenirs from the Hopis.

Parents of the troop members have been invited to attend the exhibition. Each boy in uniform will receive free tickets to the rides as they enter the park.

with Miss Ruthann Knechel as the organist.

After a reception held in the church recreation room, the couple left on a trip of unannounced destination. The bride wore as her going away ensemble a brown sheath dress with white accessories and a white orchid. Upon their return they will live with the bride's parents.

The bride is a graduate of Gettysburg High School and the groom attended Gettysburg High School and is employed at Warren Chevrolet Sales.

PHONE THREATS MAR NASHVILLE REGISTRATIONS

NASHVILLE, Tenn. (AP) — A day of orderly registration for Nashville's first integrated classes wound up last night with telephone threats aimed at a school official and six of the 13 Negro pupils enrolled in the first grade for mixed classes.

Asst. School Supt. W. H. Oliver confirmed last night that his family had received telephone threats after a truck driver of the same name reported he had received such threats from callers mistaking him for the official.

Enrollment yesterday was 43 per cent below expectations, officials said, but no violence or disorders were reported as Negro mothers brought their 6-year-olds to their newly assigned schools.

One white pupil enrolled in a previously all-Negro school.

Quiet In Clinton
Registration day was reported quiet at Clinton High School in east Tennessee. The school, 200 miles from here, was the scene of racial violence last fall when it became the first state-supported secondary school in Tennessee to integrate. The school enrolled two 15-year-old Negro freshmen without incident.

Three Negroes had registered last spring, and three others were expected to be on hand when the high school classes open Sept. 3. Principal W. D. Human said he anticipates a year without incident.

John Kasper, northern segregationist convicted of stirring up racial disorders at Clinton last year in violation of a federal injunction, appeared at Nashville schools yesterday.

He had called for a peaceful registration and confined his activities to passing out pro-segregation literature.

THREE FACING FEDERAL CHARGE

BALTIMORE (AP) — Three Cecil County men were charged in Federal Court today with illegally transporting black bass to Pennsylvania.

The accused are Hanford W. Owens of Perryville and Duncan Garswell and Ralph Murphy of Charles town.

U. S. attorneys charged them with delivering more than 9,000 live bass to the Zion Grove, Pa., trout hatchery without permits.

Transportation and sale of live bass requires a permit from the Maryland Game and Inland Fish Commission. It is a violation of a 1926 supplementary federal law to ship them across state lines without a permit.

The government charged Owens with delivering 6,137 live bass illegally to the hatchery between Jan. 6, 1954 and March 3, 1955. Carswell is accused of delivering 3,171 between Nov. 2 and Dec. 5, 1955 and Murphy with 190 on May 19, 1954.

HAMBLETONIAN IS SUCCESS ON NEW MILE OVAL

DU QUOIN, Ill. (AP) — The success of the Hambletonian at this little coal mining community may mean that it will be held here for some time to come.

Everyone seemed pleased with the new site at the Du Quoin Fairgrounds, an elaborate plant bedecked in bunting and attended by a Mardi Gras atmosphere.

Pleased most were the 25,000 fans who overflowed the grandstands, making up the largest Hambo crowd ever, and the Hayes brothers, Gene and Don, who sponsored the shift from Goshen, N.Y., to their sprawling 1,400 acres of reclaimed strip mines.

Like Mile Oval
Even Hickory Smoke, who swept the victory in yesterday's Hambletonian, found the baked clay mile oval to his liking. His driver, John Simpson, said it was great.

The Kentucky Derby of harness racing will be held at Du Quoin next year for sure. The Hambletonian Society was to meet today to discuss extending the contract further.

The action was taken as a show of feeling against the administration of the New York State Harness Racing Commission and there was indication at the time that the race eventually would return to Goshen.

But no one could complain of the elaborate Du Quoin setup and the thrilling divisional heats which produced the first two-horse race-off for the championship in Hambo history.

In the mile showdown, Simpson took Hickory Smoke to the front at the start, led all the way and beat Hoot Song by half a length. Smoke, bought last year for \$15,000 by L. B. Sheppard and A. C. Mudge, earned \$47,917.62 to boost his two-year winnings to \$89,281.

Eastern League

By THE ASSOCIATED PRESS
It's taking overtime and sweat for the second-place Schenectady Blue Jays just to keep pace in the Eastern Baseball League's pennant race.

The Jays managed to stay 3 1/2 games behind the leading Binghamton Triplets last night by going 13 gruelling innings at Albany and finally squeezing by, 4-3. This was in contrast to the effortless performance of the Triplets, who were wafted by the home run hitting of Cleus Boyer and Frank Lileja to a 14-2 triumph over the visiting Allentown Chiefs.

In another extra-inning struggle, at Springfield, the Reading Indians edged the Giants 2-1 as Ken Kuhn's 10th-inning double gave Ed Drapcho the decision in a mound duel with Joe Haberl.

WOLFMAN TOP COACH
CHICAGO (AP) — George Wolfman of the University of California's NCAA championship baseball team will be honored as 1957 "coach of the year" in Philadelphia next January.

Wolfman was named for the honor yesterday by the American Assn. of College Baseball Coaches from a field of three candidates, including Joe Bedenk of Penn State.

57TH NATIONAL AMATEUR GOLF TOURNEY OPENS

By HUGH FULLERTON JR.
The Associated Press

A group of Iowa golfers, one of whom provided a mild sensation a year ago, was to complete the field for the 57th National Amateur golf championship today. More than 1,500 failed to provide any major excitement in yesterday's 31 sectional qualifying tests.

The rounds at Des Moines, Iowa, where 34 players were to shoot for four qualifying places, were postponed yesterday because of weather. Among them were Sargio Fontanelli, 41, a food salesman, who surprised even himself when he reached the quarter-finals of last year's tournament.

Tuesday's sectional qualifying tests saw one scoring spurge at Huntington, W. Va., where virtually unknown Dick Foutche of Charleston, W. Va., shot 66-133. Otherwise there was nothing to disturb the Walker Cup players of the United States and Britain and the others who make up the 31-man exempt list.

Scores Range Up To 155
The other scores ranged from a sound but hardly sensational 140 by young Bob Shaw of Cleveland to 155 by Don Allen of Rochester, N.Y. Three former Walker Cup players and a handful of other fairly widely known golfers failed to qualify. But most of the prominent amateurs who weren't already exempt, including three members of the 1955 U. S. Walker Cup team, came through as expected.

Dale Morey of Indianapolis and Don Cherry of Wichita Falls, Tex., Yost's teammates in 1955, both qualified at Chicago. But big Jim McHale of Philadelphia, member of three past world international teams, gained only an alternate's spot and Jimmy Jackson of St. Louis and veteran Fred Kammer of Detroit also failed to qualify.

A field of 200 will compete in the all-match play championship at the Country Club, Brookline, Mass., Sept. 9-14. All but 31 were required to qualify sectionally.

EXPERTS URGE TRIBAL RITES FOR U. S. YOUTH

By HERMAN R. ALLEN

WASHINGTON (AP)—Sociologists were told Tuesday that juvenile delinquency might be curbed if American society adopted some equivalent of the rites with which primitive tribes initiate boys into manhood.

Arthur Niederhoffer of the New York City Police Academy and Prof. Herbert A. Bloch of Brooklyn College described such primitive puberty rites as scarification (marking with scars), tattooing, trial by ordeal, "and a host of other painful and exotic practices."

In a paper prepared for the American Sociological Society, Niederhoffer and Bloch said that through these customs certain societies "have laboriously contrived to discipline their young for the great adventure" of manhood.

Orderly Process

"When adolescent youths, as in our own society, find it difficult to enter the adult status," Niederhoffer and Bloch said, "... because of the lack of an orderly facilitating process, they will attempt to embrace the symbolic equivalents of the adult status denied them."

"Thus can be explained the adolescent drinking, sexual escapades, wild automobile rides ... which to the youth at any rate appear to be the prerogatives of the mature adult."

The two sociologists—Niederhoffer spoke for himself, not for the New York Police Department— noted a "correspondence between puberty rites in primitive societies and the informal practices of our gangs of today."

Compared Practices

They compared practices of South Pacific, African and Australian tribes with those of East Harlem gangs and the pachucos

of Los Angeles in bodily decoration, subjection to pain and self-mutilation.

"It is almost," they said, "as if the young persons ... is moved to exclaim: 'If you don't care to test us, then we'll test ourselves.'"

Niederhoffer and Bloch concluded: "Society must assume its share of responsibility and establish institutional patterns whereby the young people may gain full social participation as a result of complete assurance of an accepted adult status."

Their paper, a condensation of a book to be published shortly, did not specify any patterns that might be established.

SANITARY BOARD STATES DEADLINE

HARRISBURG (AP)—The State Sanitary Water Board Tuesday ordered 43 industrial concerns in western Pennsylvania to comply with the 1945 clean streams law.

The board established a July 1, 1958, deadline for the mills and factories to treat wastes discharged into public waterways.

The order followed recent board action to bring about construction of sewage treatment plants by 53 municipalities in western counties by July 1, 1959.

"A number of the industries receiving the notice are partially meeting the board's requirements in relation to treating their waste waters, but not to a sufficient degree to bring the necessary improvement to streams in that area," said a spokesman.

POSTAL RATE HEARINGS END

WASHINGTON (AP)—The Senate Post Office Committee broke off hearings Tuesday on a postal rate increase bill and announced it had no plans to conclude testimony at this session of Congress.

The action apparently means the bill has no chance of passage before Congress adjourns, which it may do this week.

The committee broke off a public session without hearing all scheduled witnesses.

Then Chairman Olin Johnston (D-S.C.) said he did not see how the committee meetings this session in view of the crush of wind-up business, Sen. Carlson (R-Kan.) senior Republican on the group, concurred.

The House passed the Eisenhower administration's postal rate increase bill earlier this month. The Senate committee has been conducting public hearings since then.

The bill would raise first, second and third class rates to bring in an estimated \$21 million dollars annually at full effect.

SERGEANTS HIT TRAINEES, FACE COURT MARTIAL

FT. CARSON, Colo. (AP)—Three sergeant-instructors in an Army training company here have been charged with mistreating trainees and ordered to appear at special courts-martial.

An investigation into the alleged mistreatment has involved a commissioned officer and five other enlisted men as well.

Maj. Harold Fischgrund, public information officer, said the specifications against the three sergeants include unauthorized punishment, striking a trainee with the fist, kicking another trainee, striking one with a broom handle and another with the knee and brush.

Eight trainees were involved in the alleged incidents. None were seriously hurt, the officer said.

The charges were filed late Monday against Specialist 2C. Robert E. Neely, 2, Pelzer, S.C.; Specialist 1C. Alexander Brown, 26, Warrington, Fla., and Sgt. James L. Hobbs, 26, Gunnison, Miss.

All previously were assigned to Company I, 39th Infantry Regiment, in which the incidents reportedly occurred.

The three sergeants and the company's former commanding officer, Capt. John Webb, all have been transferred to other units.

The Army said Capt. Webb, a World War II Marine veteran, had an exemplary training record.

Maximum Punishment

The special courts-martial probably will be held within the next 10 days, the PIO said. They could provide maximum punishment on conviction of six months imprisonment in the post stockade and forfeiture of two-thirds pay for the same period.

Maj. Fischgrund said none of the defendants have been restricted so far as he knows.

The trainees involved in the incidents, the PIO said, are Pvt. Raymond Wilson, 22, John Clanton, 17, Maurice Willis, 22, James Townley, 22, Paul F. Hill, 18, Abraham Abraham, 21, Carl J. Pool, 18, and Joseph Setnick, 22. Their home towns were not made known immediately.

There are 50,000 farm ponds stocked with fish in Kansas.

Collision Kills Widow, Injures Five Others

SCRANTON, Pa. (AP)—An auto collision near here killed Mrs. Monica Belles, a 56-year-old Scranton widow, and injured five other persons Monday night.

The crash occurred on Route 90 near Hamlin, about 15 miles from here.

Injured were James M. Eagen, 56, of German, operator of the car in which Mrs. Belles was riding, and these occupants of the second car:

Paul Shedauskas, 18, the driver; his sister, Carol, 13; his father, Anthony; and Rosemary Schiller, 12, all of Factoryville.

The injured were listed in fair condition at Hahnemann Hospital here.

Survey Planned To Help Free Libraries

HARRISBURG (AP)—A comprehensive survey to determine the library needs of communities with under 10,000 population is planned by the state. It will be made by a special consultant who hasn't been chosen yet and will cost \$50,000.

"The best thing would be to find out where aid is needed most and develop a statewide plan," explained Ralph Blasingame, state librarian, under whose supervision the work will be done. The survey will be financed with federal funds.

Blasingame said that the Public Instruction Department expects to spend about \$137,000 in federal money in an expanded library extension program to help free libraries throughout the state.

JET AIRLINERS HELP RUSSIAN AIR LANE GRAB

By WARREN ROGERS JR.
WASHINGTON (AP)—U.S. officials said Tuesday Russia may be bidding for more of the world's commercial air traffic with the proposed flight of two Soviet TU104 jet airliners to New York next month.

The State Department yesterday made public a note authorizing the flights to bring the Soviet dele-

gation from Moscow to the 12th United Nations General Assembly, opening Sept. 17.

Russian military planes have on a few occasions landed on U.S. soil. One landed at San Jacinto, Calif., in 1937 after a nonstop flight from Moscow.

The State Department said the first TU104 flight was fixed for some time about Sept. 3-7, the second flight for about Sept. 13-17. American personnel will go aboard the craft, possibly at Gander, Newfoundland, to navigate over U.S. territory.

The big new TU104s are the only commercial jet planes operating regularly in the world today. The British flag De Havilland Comets successfully for two years, but after a couple of accidents in 1954 they were scrapped.

The Soviet request to fly the TU104s to New York put Ameri-

can officials over a barrel. They stood to lose, whether they said yes or no.

Faced Dilemma
Had permission been denied, U.S. authorities would be going against American proposals made at the 1955 foreign ministers conference at Geneva for wider exchange of East-West air traffic.

Also this would darken the chances of American air firms winning Kremlin approval for direct flights to Moscow.

But permitting the flights may be playing right into a slick Soviet publicity stunt. The Russians are certain to focus the world's eyes on their sleek craft.

Gilbert Tunnell of Swan Quarter, N. C., hired an entomologist to inspect the building of his new house to make sure that termites would not invade the premises.

Fifty Teen-age Pilots To Fly Jets

PERRIN AIR FORCE BASE, Tex. (AP)—Fifty youths from 47 states — all Civil Air Patrol honor cadets — will realize dreams today with a chance at the controls of a jet scheduled for each.

The cadets, aged 16 to 18, are from every state except Rhode Island. All are considered prime Air Force officer material because of their cadet records. They are getting the VIP treatment.

Each is paired with an instructor pilot. An Air Force spokesman said 16 had previously pilot-

Race Relations Day Raises \$345,525

NASHVILLE, Tenn. (AP)—Offerings for 1957 Race Relations Day in Methodist churches reached \$345,525, officials announced.

The sum was little more than half the goal of \$600,000, but still it represents the largest contribution in the history of the program. The money will go to the 12 Negro colleges related to the Methodist Church.
